Hi, Jody,

I've added my suggested edits to the version Dee sent earlier. I tried to make sure it was consistent with the language we have in the NPRM. Let me know if you have any questions.

Thanks,

Claudia

Hi Jody,

Thank you for putting this together so quickly. I have attached a RLSO version with some suggested edits. My edits mainly focus on using consistent language throughout the document. I am not sure that I caught everything, so I would recommend you take a closer look at the document with consistency in mind. Let me know if you have any questions.

Take care,

Dee

Subject: Action Memo for proposed FIP

Hi Claudia, Dee,

Please find attached a draft Action Memo for the proposed FIP. I tried to follow both guidance documents, attached, but they contradicted each other in several ways. I did follow the action memo template, but I kept the Procedural Review section because the RA is delegated to sign the proposal, so that seemed important. I tried to keep it to four pages, but went over, so if you see extra words/redundancies, please cut away.

Thank you for your review/comments,

Jody
